TILTON-NORTHFIELD RECREATION COUNCIL

The existence of a Recreational Program in our communities can be directly traced to a request from young people in our towns that more constructive programs be available for leisure time activity. Many voters in Northfield will remember when two high school seniors appeared at town meeting and pointed to the limited opportunities for wholesome pursuits in our two towns.

Investigation showed that a vast majority of towns the size of ours were already providing constructive recreational programs and that many communities considerably smaller than ours were providing more recreational facilities for their youngsters than we were.

A review of two previous attempts to start recreational programs in Tilton-Northfield indicates they probably failed because of dependence on volunteer supervision and extremely limited activity. The present program was established under a paid supervisor and includes many more and different activities than in preceding attempts. We are now beginning our third year of existence.

It was felt that this program could best be started on a part-time basis. It was believed wise to ask for a minimum amount of financial support until the demands of a recreational program could be established and the potential of such a program could be thoroughly explored. The fact that the requested appropriation this year is larger than in the past two years indicates the belief of a majority that a much more effective program could be attained if the services of a full-time supervisor were made available for even more varied activities. The additional appropriation would be a major step toward the realization of the goal of a full-time recreational program for our communities.

A review of this past year's accomplishments indicates a greatly improved swimming program. The Recreation Council hired a school bus so that youngsters could be taken to Northfield Pond five days a week during the summer months. Previously there were only three days a week of swimming. This past year the Recreation Council paid for a Red Cross training course for our two water front supervisors so that these people were not only trained life savers but instructed the children in swimming and water safety.

Through the cooperation of the American Legion, which conducted the activity, a firearm safety program has been inaugurated. This has been greeted with the greatest enthusiasm on the part of the young people. The sizes of the groups have had to be limited because of the general appeal of this activity.

The Council has continued to support programs of little league baseball, boxing, badminton, shuffle board, ping pong, square dancing and social activities. Our impression is that these programs have operated more successfully than in the past. Our director, Kim Perkins seems to be showing an ever growing ability to work with youngsters.

An anticipated winter of skating has not materialized as of the first part of February because of unfavorable ice conditions. Arrangements are now being made for week end skiing on some of our local slopes.

With the interest and support of the people of our communities our recreation program can not only continue but can be developed into a constructive experience for our young people.

ANNUAL REPORT OF THE DISTRICT NURSING ASSOCIATION

Fiscal Year January 1, 1957 to December 31, 1957

During this period the District Nurse cared for the following:

	Cases		Calls
Non-Communicable	289	with	2067
Office	36		57
New Baby	32		52
Prenatal and Postnatal	16		12
Health Service			
Adult	79	with	101
Infant and Preschool	111		113
Baby (Office)	16		18

There were 137 new and 295 repeat cases that were admitted to the nursing service and 45 new and 184 repeat cases under health service.

Thirty trips were made transporting patients to clinics, hospitals, and specialists.

Toxoid clinics in cooperation with the State Board of Health were held in September, October, November and December. Dr. Archie Grevior and Dr. Frank Robinson alternated as attending physicians at the clinics. Assistants were Mrs. Willa Downar R.N., Mrs. Margery Robert, Mrs. Lurline McCook R.N., Mrs. Mona Hill R.N., Mrs. Ruby Edwards, and Mrs. Lois Caveney. The last two clinics were poorly attended due to the many children having measles, mumps and whooping cough. A total of 90 toxoids and 12 vaccinations were given.

The district nurse appreciated the privilege of using the modern and conveniently located American Legion Hall for these clinics.

Mrs. Lurline McCook, R.N., substituted for the district nurse while she had her vacation.

The nurse assisted Mrs. Kay Hewitt, R.N., the school nurse, in buying, wrapping and distributing gifts to children of the towns of Tilton and Northfield at Christmas time. Money and gifts were generously given by the Rotary, Business and Professional Women's Club, the teachers of both schools and individuals.

About 30 were remembered by money or a Christmas dinner by the American Legion, Salvation Army, the Elks, Odd Fellows, the St. Anne's Society and the Church of the Assumption.

You are reminded that the nurse has office hours from 3 to 4 p.m. and is in the office 8:30 to 9 a.m. Office telephone number 241 and home number 228.

At this time please accept my sincere thanks for the cooperation, friendliness and sincere good will given me by the Doctors, District Nursing Board, and the citizens of Tilton and Northfield.

Respectfully submitted,

ALICE FRENCH, R.N.

REPORT OF TILTON-NORTHFIELD SCHOOL BOARD

We have held several long meetings to discuss the 1958-59 school budget. We have postponed many items of equipment and renovations to future years in order to keep tax rate at the lowest point possible and still maintain the excellent school system that our towns have enjoyed.

We believe that we should continue the school lighting improvement program by the installation of modern lighting for the second floor of the high school and the gymnasium. The district has purchased the fixtures for the latter from the present budget.

Our proposed budget for 1958-59 shows practically the same amounts as last year with a few exceptions. The only real increase is for principals' and teachers' salaries, this amount being necessary for securing and retaining our best teachers and maintaining a salary schedule. Repairs and replacements have been reduced from $16,715.00 to $6,200.00. Reduction of state aid by approximately five thousand dollars increased the school tax rate.

The people of the two towns will be very pleased to have the playing surface of Veterans' Memorial Field completed and in use. The new backstop will probably last twenty-five years.

We used the funds provided by the people for the new oil burner, painting of six rooms, renovations of ceilings, painting the fire escape, new lighting for the first floor of the high school, hard surfacing, and minor improvements.

May we thank the Journal-Transcript for its excellent policy of developing the annual and permanent funds for the annual award of scholarships to pupils of Franklin and Tilton-Northfield. We thank all individuals who have contributed and the families who have authorized memorials for their departed loved ones.

We extend our appreciation for the funds contributed by the veterans, the clubs and organizations, and individuals for the completion of Veterans' Memorial Field. We thank all the individuals who contributed personal labor and time.

The appreciation of the district goes to the Special Committee of Mr. Brackett Hill, Chairman, Mr. Ernest Decato and Mr. Chester Davidson, who worked with the Board in the naming of the new school.

The Parent-Teacher Association and the Room Mothers have done outstanding work annually in making the schools better by their active support and cooperation.

We wish to express our appreciation to the organizations and individuals who have provided scholarships and prizes for our pupils, and those who have contributed special gifts during the year.

Our work is to establish policies for the schools that will continually improve them, and to spend economically and wisely the money provided by you. We have tried our best to see that every dollar receives a dollar return in value, and work to save money by competitive bids.

We are your chosen representatives to operate the schools for the best interests of the children and the community. We welcome your constructive suggestions at any time for mutual school advancement.

Respectfully submitted,

VETERANS' MEMORIAL ATHLETIC FIELD

More than three years ago a project was started to build an athletic field in the area directly behind the high school. A group of interested persons investigated means of raising money with which to complete the project and found that funds which had been set aside for a "Welcome Home" to returning veterans were available. Various organizations, which had contributed, were contacted and all agreed to use this fund for the completion of the project in conjunction with funds available from the school district.

Work was begun and time, materials, equipment and construction skill was generously contributed by many companies, organizations, and individuals and the project was completed last fall, producing one of the best athletic fields in this section of the state.

The field was dedicated during the past year and given the name "Tilton-Northfield Veterans' Memorial Field" in memory of our service men.

Because of the large number of individuals, companies and organizations who have contributed greatly to this project, it is impossible to thank each individually but I wish to extend my appreciation to everyone who in any way contributed to the completion of this worthwhile project. From this generous response we now have facilities for our programs of physical education and athletics in our schools and a place for public use by our townspeople.

CHARLES F. DWINAL,
Chairman
Veterans' Memorial Field Committee

Appreciation

May I express my appreciation to the members of the School Board, Selectmen, principals, helping teacher, teachers, office workers, custodians, bus operators, cafeteria workers, playground workers, and the Parent-Teacher Association for all their cooperation and assistance during the past year. The joint-community of Tilton and Northfield have backed the schools and the School Board. It is apparent that the people want the best schools for their children and will support every effort to improve the schools, as needed, to maintain democracy and our system of American freedom.

Cordially yours,

GORDON L. FOX,
Supt. of Schools
